“ *I remember as a kid how exciting it was when Aunt Donna was going to babysit for Win and me. She was certainly fun and didn't listen to any of the instruction Mom left for her. We also got to have a Coca Cola in a glass bottle when she was there. That was quite a treat because we never had any soft drinks. I remember playing board games with her too and one of her favorites was Sorry. Rest in peace and we will meet again someday.*
