“ *Even with the limited circumstances of her last few years, Aunt Dorothy maintained some of her quick wit. Despite constant pain and failing health, she always managed a smile. At the end she had little to give, which was probably one of her biggest frustrations, but she always found something she could offer. Having spent her whole life giving to her family and others, she always wanted to give more. It was uncomfortable for her to be on the receiving end. I miss her and I know many others miss her, and yet it is a comfort to have so many fantastic memories of Aunt Dorothy.*

“ I feel SO BLESSED to have had my beloved "Aunt Dot" in my life!! She gave my entire family SO MUCH LOVE through the years and although I'll miss her terribly, I'm glad she's not suffering any more and that she's now "Home" where she can hear those words "Well done, good and faithful servant" and be welcomed by so many family members awaiting her arrival! I thank God for His "Amazing Grace" and a wonderful place called HEAVEN where we'll see her again!! Love & prayers to all her family, "Cousin Nan" XOXO
