“ I want to say Effie Diehl you will always be missed by this family you have been such a blessing to us. I will always remember the time that we had together. I couldn't have asked for a better mother-in-law. Don't worry I will always take care of your son even though he's stubborn just like you could be but we will get through this together. I will always treasure the time we had together and you will always be in our ❤️. You will always be remembered but never forgotten. Now your an Angel watching over us. It was my pleasure being with you through all you've gone through. You wanted to be with Gary and now your there. Hopefully dancing in the sky together when you see my momma can you tell her I love and miss her to. Now you Rest In Peace. Your in heaven with your family now. You will always be in our ❤️. I will treasure the time I got to spend with you. Lots of love went with you so until we see you again . Remember we loved you dearly . Love the Larkin family
