“ *I wish to express my deepest sympathy and condolences to you, John's Family, on his passing. I did not have the privilege of knowing you all, that is Ana and the children. I did know his brother Fred and sister Rose and his Father and Mother well as we lived across the road from each other and grew up together. Unfortunately one our last meetings was right after the war when we happened to be on leave at the same time, he from the Army and me from the Navy. The next year he, I and Fred took a fishing trip to Canada. That, I believe was our last contact before I went away to college and then away to my life's work.*

*We had so many great times together hunting fishing and playing baseball. John and I managed a team in the Alliance Hot Stove League for 4 to 5 years. He played 2nd base and I was the catcher. We hunted rabbits , squirrels and pheasants in the farms and fields back of his farm. We learned to drive in his father's Model T Ford truck on the farm and in the winter skated together on the pond in his woods. There are so many memories I wish I could relate , perhaps at another time.*

*He and his family will be in my thoughts and prayers until it is my time to meet with him again.*

“ I worked with John and he was one of my older brother's best  
friends. He was always funny and a great guy to work with. Talked  
to him about a year ago. John was loved by all at the Post Office  
and we will all miss him. My prayers and sympathy to the family.  
God Bless John
