“ *To the Family and All Fellow Friends: May God comfort all who knew, loved and cared about this lovely lady. I've had the good fortune to know the Fedor family since our families shared a home near Sebring in 1947. Judy was a classmate and life-long friend and I was delighted to see her at several high school reunions over the years, including our 50th reunion in 2008. My heart is heavy and I send my most sincere condolences to all who share in grieving such a devastating loss, especially to Terry, Tony, Sherry and their families. May God cause you to remember all the wonderful times together until you meet her again in Heaven. With Love, Sincere Condolences and Many Blessings, George and Sandie Landis, Orlando, Florida.*

“ My deepest sympathy to all the family in the loss of a very precious lady. Loved her dearly, she was like family to me and my family, and my Mom's dearest friend. Her courage and faith were an inspiration to all who knew her! She always had such a beautiful smile on her face every time I saw her, and just "exuded" positivity, faith, and joy. She absolutely adored her children and grandchildren, and that was so obvious to all who knew her! Please know that I am keeping all of you in my thoughts and prayers. Much love, Nancy (Schuller) Harsh
