“ *Carmella, Trina and all the family of Mary Jane,
I am saddened to hear of her passing. My thoughts and prayers are
with you now. She was a good friend during our 10+ years working
together at Stewart Bros. And more recently I enjoyed her notes and
the lunches we shared whenever I made a trip to Alliance. She is in
my heart.*

“ Dear Carmella and Trina,
I know that I've never really kept in touch (even in high school.) ,but I really wanted you to know that you have my deepest condolences on the passing of your mother. I did not know that your father was gone as well. My father died in May of "88" because of cancer and emphysema. My mom is at Crandall with alzhiemers. She knows everyone pretty much but is very hard to deal with.....I guess it's payback time as I was not that easy to deal with either. You probably know that !! I've found that this is something you never get over, but with time it gets easier to talk about it. Ive also found that talking to them...when you need to, helps. Of course I have always talked to myself..... I figure I'm probably the only one who will listen to me!!! Well, although I'm distant , I wanted you to know that I still care. Oh yeah....I talked with Carol Mazzie and she said to say "Hi! Sorry too!"
Petey says the same. We wish you well.

Sincerely,
Carol ,Pete and Nance
