“ *To the whole McVicker Family, I am so sorry for your loss. Morgan was such a kind and gentle soul and we will all miss him. When I was in my early teens I think I spent more time at your house than I did at my own. I have so many fond memories of your family. I'm sorry that I can't be there in person, but please know that you are in my daily prayers.*

“ *Grandpa,*

I want to take a momemnt to let you know how much you meant to me. I will truly miss you. I am so glad that I was afforded the chance to spend that week with you during the summer. I got to learn so much about who you are, and where you came from. I loved the stories you shared, and the moments that we had. You have taught me so much over the years be it verbally or non verbally that I will carry with me forever. I know you are in a better place. A place where you can be with Grandma and Danny. Please know you will be missed, and I love you.
