“ *I want to send my sincere condolences to each and everyone of you. Growing up I spent alot of time at the Odey house. Some great memories remain with me. It is hard loosing a parent as I recently went through loosing my dad. But keep you memories close to your heart. He will always be with you. He is your guardian angel now, and he will always be by your side and in your hearts forever. Love to all of you. God Bless each and everyone in this hard time.*

“ *Thinking of Dick today and all the woodworking he had done. We still have a picnic table that he made for us on our patio. We are sure he will be missed by many. Our deepest sympathy on your loss.*
