“ *Bill spent a lot of time at my house when I was growing up. He was one of my brother's closest friends, and the memories I have of Bill shooting pool in the basement, playing cards in the dining room, or sitting with the rest of the gang in the living room recanting stories of their latest escapades are some of the happiest memories of my youth. Bill has always held a special place in my heart, and I shall remember him with fondest thoughts. May God bless and comfort his family. He will be greatly missed.*
